

2010 DONOR REPORT

Cedar Crest
FOUNDATION

A LETTER FROM

“My parents’ lives were rich and full. They were empowered because they lived in a community with so many resources available to them. They maintained their independence, yet when they needed assistance, Cedar Crest staff was there.

It was a wonderful life. I can’t think of a better place for my parents in those years.”

-Jane J., daughter of 25 year Cedar Crest Residents

Peace of mind is one of the most important selling points of the Cedar Crest lifestyle. When our staff explains the many features and benefits of living at Cedar Crest to new prospects, “peace of mind” is always mentioned. But what does it really mean?

The words of Jane, whose parents resided at Cedar Crest for over 25 years, eloquently express what that peace of mind meant to her and her family. Retrospectively, she explains all the attributes that made her parents’ lives at Cedar Crest wonderful. Their experience across all levels of care exemplifies the mission of this community: to enrich the quality of life for senior adults at all levels of independence, guided by a spiritually based, not-for-profit culture that fosters compassion and care.

Cedar Crest is unique among retirement living communities in Rock County. We are the only continuing care retirement community offering older adults the full range of living accommodations and levels of care. Once a person becomes a member of the Cedar Crest family, they have priority placement within our service levels should their personal needs ever change. And with our benevolent care policy, we strive to continue to care for residents who no longer have the financial resources to support themselves in their home with us.

To provide for our residents who have exhausted their financial resources is a substantial commitment. Each year Cedar Crest, a not-for-profit organization, provides more and more benevolent care for a growing number of our residents. The Cedar Crest Foundation was formed to raise funds through charitable contributions and other fundraising to enhance and support the mission of Cedar Crest. Your tax-deductible contribution to the Cedar Crest Foundation will allow us to fulfill this goal.

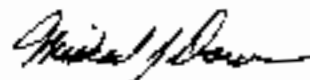

By supporting the foundation you will help us to support the benevolent care mission and continue to meet this commitment to Cedar Crest residents. We have enclosed an envelope for your convenience.

If you would like more information regarding Cedar Crest and the Cedar Crest Foundation, please contact Marion Wozniak at 608-756-0344.

Sincerely,

Marion Wozniak
